

TechNova Solutions — Employee Handbook 2025

TechNova Solutions is a software consultancy headquartered in Bangalore, India, with a satellite office in Berlin, Germany. The company was founded in 2016 and currently employs 340 people.

Working Hours & Remote Policy

Core working hours are 10:00 AM to 4:00 PM IST. Employees may work remotely up to three days per week. Fully remote arrangements require director approval.

Leave Policy

Full-time employees receive 24 days of paid annual leave, 12 public holidays, and 10 days of sick leave per year. A maximum of 8 unused annual-leave days may be carried into the next year.

Compensation

Salaries are reviewed every January. Engineers are placed in one of four bands: L1 (junior), L2 (mid), L3 (senior), and L4 (staff). The annual learning-and-development stipend is 40,000 rupees per employee.

Equipment & Security

Every engineer receives a MacBook Pro and a one-time home-office allowance of 25,000 rupees. Two-factor authentication is mandatory on all company accounts, and secrets must never be committed to source control.

Code of Conduct

All code must pass automated tests and receive at least one peer review before being merged into the main branch. Production deployments require sign-off from a team lead.

Try asking: How many paid annual leave days do employees get? Where is TechNova headquartered? What is the L&D; stipend? What are the four engineer bands?
